Introducing the stunning 2021 Princess V55, a remarkable sports cruiser that combines elegance with performance. With an overall length of 17.81 meters, this vessel is crafted from durable fiberglass, ensuring both strength and style on the water. Powered by twin Volvo D13-1000 inboard engines, each delivering an impressive 671.13 kW, the V55 offers exhilarating cruising speeds of up to 25 kn and a maximum hull speed of 35 kn, making it perfect for adventurous outings. The interior boasts three well-appointed cabins and two heads, providing ample space for relaxation and comfort. Equipped with joystick control, maneuvering this beauty is a breeze, enhancing the overall boating experience. The Princess V55 is not just a boat; it's a luxurious escape, designed for those who appreciate the finer things in life while enjoying the thrill of the open sea. Experience unparalleled craftsmanship and performance with this exceptional cruiser.
