Description

Introducing the exquisite Fleming 58, a remarkable trawler from 2015, measuring an impressive 19.94 meters in overall length.

This semi-displacement vessel boasts a robust fiberglass hull, ensuring durability and stability on the water. Powered by twin MAN R-6 inboard engines, each delivering 800 hp, it offers a cruising speed of 8 knots and a maximum hull speed of 19 knots, making it perfect for both leisurely voyages and efficient travel.

The Pegasus is designed for comfort and convenience, featuring three well-appointed cabins and three heads, providing ample space for relaxation. Equipped with a hydraulic windlass, this trawler enhances your boating experience with ease of anchoring. With a remarkable range of 2100 kilometers, the Fleming 58 is ideal for extended adventures on the open sea. Experience the perfect blend of luxury and performance with this stunning vessel, ready to take you on unforgettable journeys.

When the yacht is not sailing, she has always docked in climate-controlled environment inside her own floating closed garage, protected from rain, snow and sunlight.
